Be a  
Lifesaver!

You can help prevent child abuse in our area by volunteering for our 2011 **"Be a Lifesaver" campaign**. Local volunteers will hand out rolls of lifesavers in exchange for donations. Volunteers are scheduled in **two hour shifts** at various pre-arranged locations throughout the county. Groups are welcome!

All funds will be used to prevent child abuse in Kalamazoo County. For details, please visit us online at [www.KalamazooCAN.com](http://www.KalamazooCAN.com).

**To get a preferred day, time or area**, please call us today at (269) 552-4430. Or send your e-mail message to [info@kalamazoocan.com](mailto:info@kalamazoocan.com). Tell your friends, co-workers and neighbors. Download additional copies of this flyer on our website at [www.KalamazooCAN.com](http://www.KalamazooCAN.com). On behalf of local area kids, **Thank You!**

**Sponsors Needed, Too!** We're also looking for sponsors to help underwrite the cost of this very important effort. To pledge your tax-deductible support, call (269) 552-4430 today. Thank you!
